IBM CLOUD SERVICE

TEAM ID	PNT2022TMID48179
PROJECT NAME	Real time river water quality monitoring and control system

The screenshot displays the IBM Cloud Dashboard. At the top, a dark navigation bar contains the 'IBM Cloud' logo, a search icon, and links for 'Catalog' and 'Manage'. To the right of these are icons for help, calendar, document, notifications, and user profile. Below the navigation bar, the main content area is titled 'Dashboard' with a dropdown arrow. A blue 'Create resource' button is positioned to the right of the title. The dashboard is divided into several sections. The 'For you' section features four cards: 'Build' (purple background), 'Set up your IBM Cloud account', 'Explore tutorials', and 'Discover the Watson Internet of Things (IoT) Platform'. Each card includes a brief description and a 'Getting started' button with a '10 min' duration. Below this, there are two sections: 'Planned maintenance' and 'Recent support cases', each with a 'View all' link. The 'Recent support cases' section includes an illustration of a stack of papers and a brief description of the support case summary feature.
